Teen REACH (Responsibility, Education, Achievement, Caring, and Hope)

A Free After School Youth Enrichment Program for Junior High School Students

The Galowich YMCA has teamed up with Joliet Public School District 86 to offer a FREE after school program for students at the district's four junior high schools. Daily programming will incorporate the YMCA's core values of caring, honesty, respect, and responsibility, and include a resource-rich curriculum that provides students with academic support, life skills education, recreational opportunities, mentorship/career exploration, STEM, and service learning activities.
